

4" Glow Sticks Box of 500

Brand: Gloweez

Price: \$165.00

Short Description

The only ISO9002 Certified Light Stick available in Australia, NZ, Oceania (don't be fooled by cheap imitations). Patented one-piece construction means your stick stays in place, does not crimp line, and glows longer and brighter than any other product on the market.

Description

Genuine Gloweez(R) glow sticks are the only ISO-9002 Certified light sticks manufactured in the Asia-Pacific Region. We sell more light sticks than all others combined!

Our patented one-piece construction means your stick stays in place, does not crimp the line, and glows longer and brighter than any other commercial lightstick anywhere at any price.

Available in **Green**, **Pink**, **Blue**, **Yellow** and **White** in 4" in cartons of 500 in hermitically sealed bags

Now also available in a new, patented DEEP-water version to operate at depths up to 400 meters (field-tested to depths up to 990 meters!!) [Click here to see our Report on Deep Water Light Sticks](#)

Below is a photo of our patented internationally famous standard surface Gloweez® glow stick (Pink on left) as well as the new patented, registered design DEEP-Water Gloweez (Yellow on right). Please visit www.gloweez.com for more details...
