

# Harpoon Holder

**Brand:**

**Price: \$71.50**

## **Short Description**

High quality stainless steel harpoon holders.

## **Description**

These are quality made stainless steel harpoon holders.

The below size has been made to take a thicker pole so it is very strong and less likely to break under extreme pressure.

**Size: 29mm inner diam, sleeve length 12cm, shaft length 30cm with point, and total length is 42cm.**
